

Noble
Dream it. Live it.™

Career Exploration Group

Explore Your Career Interests

Noble's Career Exploration Group (CEG) is a community-based, small group experience that will help you discover your career interests & find the right job that meets your needs & goals. Based at the Moving Forward Career Center at 50 Shelby Street, CEG offers a blend of learning about the world of employment & volunteer experiences. What a great way to explore your career interests!

Discover the Right Career Path for You

A career is more than a job. It's the means to live more independently, choose the path that our lives take, engage in our community & feel like an important part of the team. Your career should excite you, give you energy & help contribute to the community we share:

- Program runs Monday through Friday & lasts up to 18 months.
- Develop your "soft" job skills through classroom learning.
- Volunteer or visit businesses to discover potential careers.
- Small class size means individualized attention on your career goals.
- Get connected with Vocational Rehabilitation to put you on the path to a job.
- Learn what local companies do & how you can be part of their team.
- The goal is to launch your career, earn a paycheck and boost your financial independence!

Funding & Hours of Operation

Funded by Medicaid Waiver, Career Exploration Group is free for eligible individuals. Anyone may refer an individual to CEG; however, if they are not eligible for Medicaid Waiver, a fee is assessed for the service. Services are provided during our business hours of 8 am - 5 pm, Monday through Friday.
